Educational Sponsorships

Training Courses

We provide opportunities for sponsors to engage deeply with the 3DPrint.com audience through live, online courses, with opportunities tailored to a sponsor's engagement goals.

Platinum - Overall Course Sponsor - \$5,000

- Dedicated sponsor time each week during a 6- to 8-week course, where the sponsor provides an emcee to host each guest speaker session and can discuss sponsored offerings and provide context each week in informal Q&A with guests.
- One (1) live sponsored webcast of up to 45 minutes as a part of the course program, featuring a moderator to introduce the sponsor, sponsored content (presenter on video, slide deck, participant chat, and real-time audience polling), and moderated Q&A session; webcast content will be developed in conjunction with Edmaker, our course development partner, to ensure that it will be educational in nature and attract the widest audience.
- Course registration data, including participant name, email address, mailing address, and polling data customized to your needs.
- One customizable sponsor page within the online classroom for the course. Sponsored content within that page can include logo, copy, an article, an embedded video, and links back to your site
- Sponsor logo on course promotional page on 3DPrint.com
- Sponsor logo on HTML blasts and editorial content promoting registration
- Sponsor logo on promotional ad on 3DPrint.com

Gold - Course Session Sponsor - \$3,000

- One (1) live sponsored webcast of up to 45 minutes as a part of the course program, featuring a moderator to introduce the sponsor, sponsored content (presenter on video, slide deck, participant chat, and real-time audience polling), and moderated Q&A session; webcast content will be developed in conjunction with Edmaker, our course development partner, to ensure that it will be educational in nature and attract the widest audience.
- Course registration data, including participant name, email address, mailing address, and polling data customized to your needs.
- Sponsor logo on course promotional page on 3DPrint.com
- Sponsor logo on HTML blasts and editorial content promoting registration
- Sponsor logo on promotional ad on 3DPrint.com

Silver - Course Session Sponsor - \$1,500

- One customizable sponsor page within the online classroom for the course. Sponsored content within that page can include logo, copy, an article, an embedded video, and links back to your site.
- Sponsor logo on course promotional page on 3DPrint.com
- Sponsor logo on HTML blasts and editorial content promoting registration
- Sponsor logo on promotional ad on 3DPrint.com

Live Entirely Off the Grid in a 3D Printed PassivDom Smart House
by Clare Scott | Apr 7, 2017 | Featured Stories
I've often dreamed about living "off the grid." Particularly when I'm stressed, I fantasize about building a cabin in the woods, far from other humans, and just living a quiet, disconnected life among the trees. Of course, that's not...

Stratways Direct Manufacturing to Direct Metal Laser Sintering in the Automotive Spotlight on Jay Leno's Garage

By Sarah Saunders on Feb 20, 2017 12:52 pm
3D printing leader Stratways, back in 2014, acquired both Harvest Technologies and Solid Concepts and combined the two with its existing digital manufacturing service business, Reo3D, to form a...

The OpenPlexure Microscope: A Lifesaving Water-Testing Device You Can 3D Print at Home

By Clare Scott on Feb 20, 2017 11:11 am
I remember looking at some really interesting things through a microscope when I was in grade school, and wishing that I had my own. Eventually I did, but it was a plastic thing of poor quality, and...

Hisco-Pattner Institute Researchers Create Metamaterial Door Latch as Example of 3D Printing Versatility

By Bridget Butler Hillips on Oct 21, 2015 09:15 am
What I enjoy about 3D printing and so many of its innovations is that although we've certainly had a preview for decades of all sorts of magical looking futuristic inventions to come, with this new...
